

THEME: MARY, HER PATH TO HOLINESS

Second Day The Annunciation

Grace and Intention:

Let us beg God for the gift of **joyful acceptance of His will**.

Let us pray that we, especially those in the process of making decisions, may say "Yes" to what is God's will and cooperate with the action of the Holy Spirit in our life.

Reading Luke 1:26-38

Reflection:

Because of her "Yes" to God's call, a new reality immediately blossomed in Mary which is the start of Jesus' life within her. Her "Yes" determined the pattern of her whole life which led her even to the cross and she remained faithful to God's will even though many times she did not understand it. (moment of silence)

Prayer:

Lord, you who created Mary full of grace, teach us to welcome your Word and allow Jesus to become flesh in us by your Spirit. Like Mary, give us the grace to say "Yes" to your will even in the smallest details of our lives.

Glory Be....
